On personal knowledge, information and belief, other public facilities and elements too numerous to list were improperly inaccessible for use by persons with physical disabilities.

16. At all times stated herein, the existence of architectural barriers at Defendant's place of public accommodation evidenced "actual notice" of Defendant's intent not to comply with the Americans with Disability Act of 1990 ("title III" and "ADA"), 42. U.S.C. §§ 12181 *et seq.*, Ohio Revised Code § 4112.02, *et seq.*; and Ohio Administrative Code §4101:1-11, *et sec.* either then, now or in the future.

17. As a legal result of Defendant's failure to act as a reasonable and prudent public accommodation in identifying, removing or creating architectural barriers, policies, practices and procedures that denied access to plaintiff and other persons with disabilities, plaintiffs suffered damages as alleged herein.

18. As a further legal result of the actions and failure to act of Defendant, and as a legal result of the failure to provide proper handicapped-accessible public facilities as set forth herein, MORTLAND was denied his civil rights to full and equal access to public facilities. MORTLAND suffered a loss of his civil rights and his rights as a person with physical disabilities to full and equal access to public facilities, and further suffered from personal injury, shame, humiliation, embarrassment, anger, chagrin, disappointment and worry, expectedly and naturally associated with a person with physical disabilities being denied access, all to his damages as prayed hereinafter in an amount within the jurisdiction of this court.

19. On information and belief, construction alterations carried out by Defendant has triggered access requirements under Americans with Disability Act of 1990 (“TITLE III” AND “ADA”), 42. U.S.C. §§ 12181 *et seq.*, Ohio Revised Code § 4112.02, *et seq.*; and Ohio Administrative Code §4101:1-11, *et sec.*

20. MORTLAND, as described herein below, seeks injunctive relief to require the HOLIDAY INN EXPRESS HOTEL & SUITES to be made accessible to meet the requirements of both Ohio law and the Americans with Disabilities Act, whichever is more restrictive, so long as Defendant operates and/or leases the HOLIDAY INN EXPRESS HOTEL & SUITES as a public facility. Plaintiff seeks damages for violation of his civil rights, from the date of his visit until such date as Defendant brings the establishment into full compliance with the requirements of Ohio and federal law.

21. On information and belief, Defendant has been negligent in its affirmative duty to identify the architectural barriers complained of herein and negligent in the removal of some or all of said barriers.

22. Because of Defendant’s violations, MORTLAND and other persons with physical

COMPLAINT FOR INJUNCTIVE RELIEF AND DAMAGES - 14

disabilities are unable to use public facilities such as those owned and operated by Defendant on a “full and equal” basis unless such facility is in compliance with the provisions of the Americans with Disabilities Act and other accessibility law as plead herein. Plaintiff seeks an order from this court compelling Defendant to make the HOLIDAY INN EXPRESS HOTEL & SUITES accessible to persons with disabilities.

23. On information and belief, Defendant has undertaken to modify and alter existing building(s), and has failed to make them comply with accessibility requirements.

The acts and omissions of Defendant in failing to provide the required accessible public facilities at the time of plaintiff's visit and injuries, indicate actual and implied malice towards plaintiff, and despicable conduct carried out by Defendant with a willful and conscious disregard for the rights and safety of plaintiff and other similarly situated persons, and justify punitive damages pursuant to Ohio Revised Code § 2315.21, in amounts sufficient to make a more profound example of Defendant to other operators of other establishment and other public facilities, and to punish Defendant and to carry out the purposes of § 2315.21.

24. Plaintiff is informed and believes and therefore alleges that Defendant caused the subject property to be constructed, altered and/or maintained in such a manner that persons with physical disabilities were denied full and equal access to, within and throughout said facility of the HOLIDAY INN EXPRESS HOTEL & SUITES and were denied full and equal use of said public facility. Further, on information and belief, Defendant has continued to maintain and operate said facility in such conditions up to the present time, despite actual and constructive notice to such Defendant that the configuration of the establishment and/or its building(s) are in violation of the civil rights of persons with physical disabilities, such as plaintiff and the disability community. Such construction, modification, ownership, operation, maintenance and

practices of such public facilities are in violation of law as stated in Americans with Disability Act of 1990 (“TITLE III” AND “ADA”), 42. U.S.C. §§ 12181 *et seq.* and elsewhere in the laws of Ohio.

25. On information and belief, the subject public facility of the HOLIDAY INN EXPRESS HOTEL & SUITES denied full and equal access to plaintiff and other persons with physical disabilities in other respects due to noncompliance with requirements of Ohio Revised Code § 4112.02, *et seq.*; and Ohio Administrative Code §4101:1-11, *et sec.*

26. On personal knowledge, information and belief, the basis of Defendant’s actual and constructive notice that the physical configuration of the facilities including, but not limited to, architectural barriers constituting the HOLIDAY INN EXPRESS HOTEL & SUITES was in violation of the civil rights of persons with physical disabilities, such as plaintiff, includes, but is not limited to, communications with invitees and guests, owners of other establishments and businesses, notices Defendant obtained from governmental agencies upon modification, improvement, or substantial repair of the subject premises and other properties owned by the Defendant, newspaper articles and trade publications regarding the Americans with Disabilities Act and other access laws, public service announcements, and other similar information. Defendant’s failure, under state and federal law, to make the establishment accessible is further evidence of Defendant’s conscious disregard for the rights of plaintiff and other similarly situated persons with disabilities. The scope and means of the knowledge of Defendant are within Defendant’s exclusive control and cannot be ascertained except through discovery. Despite being informed of such effect on plaintiff and other persons with physical disabilities due to the lack of accessible facilities, Defendant knowingly and willfully refused to take any steps to rectify the situation and to provide full and equal access for plaintiffs and other persons

with physical disabilities to the establishment. Said Defendant has continued such practices, in conscious disregard for the rights of plaintiff and other persons with physical disabilities, up to the date of filing of this complaint, and continuing thereon. Said conduct, with knowledge of the effect it was and is having on plaintiff and other persons with physical disabilities, constitutes despicable conduct in conscious disregard of the rights and safety of plaintiffs and of other similarly situated persons, justifying the imposition of punitive damages pursuant to Ohio law.

27. As Plaintiff frequently travels to Mahoning County and Trumbull County, Ohio, Plaintiff will return to the subject HOLIDAY INN EXPRESS HOTEL & SUITES to patronize the hotel, if the hotel is made fully accessible to a disabled person in a wheelchair, and to also avail himself of the hotel's services.

29. Should the HOLIDAY INN EXPRESS HOTEL & SUITES become accessible, MORTLAND will visit it again because it is conveniently located for the work that he performs in the area.

30. Furthermore, plaintiff intends to return to the HOLIDAY INN EXPRESS HOTEL & SUITES as an ADA tester on an annual basis beginning in 2022, to ascertain whether Defendant removed the barriers to access which are the subject of this litigation.

**I. FIRST CAUSE OF ACTION FOR DENIAL OF ACCESS BY A PUBLIC ACCOMMODATION IN VIOLATION OF THE AMERICANS WITH DISABILITIES ACT OF 1990 (42 U.S.C. §12101, *et seq.*)**

31. Plaintiff pleads and incorporates by reference, as if fully set forth again herein, the allegations contained in paragraphs 1 through 30 of this complaint.

32. Pursuant to law, in 1990, the United States Congress made findings per 42 U.S.C. §12101 regarding persons with physical disabilities, finding that laws were needed to more fully protect:

some 43 million Americans with one or more physical or mental disabilities; [that] historically society has tended to isolate and segregate individuals with disabilities; [that] such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem; [that] the nation's proper goals regarding individuals with disabilities are to assure equality of opportunity, full participation, independent living and economic self-sufficiency for such individuals; [and that] the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous.

33. Congress stated as its purpose in passing the Americans with Disabilities Act of 1990 (42 U.S.C. §12102):

It is the purpose of this act (1) to provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities; (2) to provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; (3) to ensure that the Federal government plays a central role in enforcing the standards established in this act on behalf of individuals with disabilities; and (4) to invoke the sweep of Congressional authority, including the power to enforce the 14th Amendment and to regulate commerce, in order to address the major areas of discrimination faced day to day by people with disabilities.

34. As part of the Americans with Disabilities Act of 1990, (hereinafter the “ADA”), Congress passed “Title III - Public Accommodations and Services Operated by Private Entities” (Section 301 42 U.S.C. §12181, *et seq.*). Among the public accommodations identified for purposes of this title was:

(7) PUBLIC ACCOMMODATION - The following private entities are considered public accommodations for purposes of this title, if the operations of such entities affect commerce -

...

(A) an inn, hotel, motel, or other place of lodging \*\*\*;

42 U.S.C. §12181(7)(A).

35. Pursuant to §302, 42 U.S.C. §12182, “No individual shall be discriminated

COMPLAINT FOR INJUNCTIVE RELIEF AND DAMAGES - 18

against on the basis of disability in the full and equal enjoyment of the goods, services, facilities, privileges, advantages, or accommodations of any place of public accommodation by any person who owns, leases, or leases to, or operates a place of public accommodation.”

36. The specific prohibitions against discrimination set forth in §302(b)(2)(a), 42 U.S.C. §12182(b)(2)(a) are:

- (i) the imposition or application of eligibility criteria that screen out or tend to screen out an individual with a disability or any class of individuals with disabilities from fully and equally enjoying any goods, services, facilities, privileges, advantages, or accommodations, unless such criteria can be shown to be necessary for the provision of the goods, services, facilities, privileges, advantages, or accommodations being offered;
- (ii) a failure to make reasonable modifications in policies, practices, or procedures, when such modifications are necessary to afford such goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities, unless the entity can demonstrate that making such modifications would fundamentally alter the nature of such goods, services, facilities, privileges, advantages, or accommodations;
- (iii) a failure to take such steps as may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services, unless the entity can demonstrate that taking such steps would fundamentally alter the nature of the good, service, facility, privilege, advantage, or accommodation being offered or would result in an undue burden;
- (iv) a failure to remove architectural barriers, and communication barriers that are structural in nature, in existing facilities . . . where such removal is readily achievable; and
- (v) where an entity can demonstrate that the removal of a barrier under clause (iv) is not readily achievable, a failure to make such goods, services, facilities, privileges, advantages or accommodations available through alternative methods if such methods are readily achievable.

The acts of Defendant set forth herein were a violation of plaintiff's rights under the ADA, 42. COMPLAINT FOR INJUNCTIVE RELIEF AND DAMAGES - 19

U.S.C. §§ 12181 *et seq.*; Ohio Revised Code § 4112.02, *et seq.*; and Ohio Administrative Code § 4101:1-11, *et sec.*, making available damage remedies.

37. The removal of the barriers complained of by plaintiff as hereinabove alleged was at all times after January 26, 1992 “readily achievable” as to the subject HOLIDAY INN EXPRESS HOTEL & SUITES pursuant to 42 U.S.C. §12182 (b)(2)(A)(i)-(iv). On information and belief, if the removal of all the barriers complained of herein together was not “readily achievable,” the removal of each individual barrier complained of herein was “readily achievable.” On information and belief, Defendant’s failure to remove said barriers was likewise due to discriminatory practices, procedures and eligibility criteria, as defined by §302(b)(2)(a)(i)-(iii); 42 U.S.C. §12182 (b)(2)(A)(i).

38. Per §301(9), 42 U.S.C. §12181 (9), the term “readily achievable” means “easily accomplishable and able to be carried out without much difficulty or expense.” The statute defines relative “expense” in part in relation to the total financial resources of the entities involved. Plaintiff alleges that properly repairing, modifying, or altering each of the items that plaintiff complains of herein were and are “readily achievable” by the Defendant under the standards set forth under §301(9) of the Americans with Disabilities Act. Further, if it was not “readily achievable” for Defendant to remove each of such barriers, Defendant has failed to make the required services available through alternative methods which were readily achievable.

39. On information and belief, construction work on, and modifications of, the subject HOLIDAY INN EXPRESS HOTEL & SUITES occurred after the compliance date for the Americans with Disabilities Act, January 26, 1992, independently triggering access requirements under Title III of the ADA. Upon information and belief, the HOLIDAY INN EXPRESS HOTEL & SUITES was built in or around 2000, making compliance with the

Americans with Disability Act Standards mandatory.

40. Pursuant to the Americans with Disabilities Act of 1990, 42 U.S.C. §12188, *et seq.*, §308, plaintiff is entitled to the remedies and procedures set forth in §204(a) of the Civil Rights Act of 1964, 42 U.S.C. 2000(a)-3(a), as plaintiff is being subjected to discrimination on the basis of disability in violation of this title or has reasonable grounds for believing that he is about to be subjected to discrimination in violation of §302. Plaintiff cannot return to or make use of the public facilities complained of herein so long as the premises and Defendant's policies bar full and equal use by persons with physical disabilities.

41. Per §308(a)(1) (42 U.S.C. 12188), "Nothing in this section shall require a person with a disability to engage in a futile gesture if such person has actual notice that a person or organization covered by this title does not intend to comply with its provisions." Pursuant to this last section, plaintiff has not returned to Defendant's premises since on or about February 14, 2021 through February 15, 2021, but alleges that Defendant has continued to violate the law and deny the rights of plaintiff and of other persons with physical disabilities to access this public accommodation. Pursuant to §308(a)(2), "In cases of violations of §302(b)(2)(A)(iv) . . . injunctive relief shall include an order to alter facilities to make such facilities readily accessible to and usable by individuals with disabilities to the extent required by this title."

42. Plaintiff seeks relief pursuant to remedies set forth in §204(a) of the Civil Rights Act of 1964 (42 U.S.C. 2000(a)-3(a)), and pursuant to federal regulations adopted to implement the Americans with Disabilities Act of 1990, including but not limited to an order granting injunctive relief and attorneys' fees. Plaintiff will seek attorneys' fees conditioned upon being deemed to be the prevailing party.

43. Plaintiff seeks damages pursuant to Ohio Revised Code § 4112.02, *et seq.* and Ohio

Administrative Code § 4101:1-11, *et sec.*, which provide, within the statutory scheme, that a violation of the ADA and/or Ohio's accessibility standards is a violation of Ohio law.

Wherefore, plaintiff prays for relief and damages as hereinafter stated.

**II. SECOND CAUSE OF ACTION FOR DENIAL OF FULL AND EQUAL ACCESS IN VIOLATION OF OHIO REVISED CODE § 4112.02, *et seq.***

44. Plaintiff repleads and incorporates by reference as if fully set forth again herein, the allegations contained in paragraphs 1 through 43 of this complaint.

45. At all times relevant to this action, Ohio Revised Code § 4112.0254 has provided that persons with physical disabilities are not to be discriminated against because of physical handicap or disability. This section provides that:

It shall be an unlawful discriminatory practice:

- (G) For any proprietor or any employee, keeper, or manager of a place of public accommodation to deny to any person, except for reasons applicable alike to all persons regardless of race, color, religion, sex, military status, national origin, disability, age, or ancestry, the full enjoyment of the accommodations, advantages, facilities, or privileges of the place of public accommodation.

46. HOLIDAY INN EXPRESS HOTEL & SUITES is a "place of public accommodation" pursuant to Ohio Revised Code § 4112.01(A)(9).

47. Defendant committed an unlawful act pursuant to Ohio Revised Code §4112.02(G) by denying plaintiff the full enjoyment of its accommodations, advantages, facilities, or privileges, whereas, plaintiff had great difficulty due to extensive barriers for patrons confined to wheelchairs.

48. Pursuant to Ohio Revised Code § 4112.99, plaintiff is entitled to compensatory and punitive damages, and attorney fees and costs, in an amount to be determined at trial, but in any event not less than \$25,000.00, as well as issuance of an injunction requiring Defendant to

allow full and equal enjoyment of its goods, services, facilities, privileges, and advantages to disabled persons.

49. A separate act in violation of Ohio Revised Code § 4112.02(G) has been committed each day that Defendant acts or fail to act and/or knowingly and willfully fails and refuse to remove each architectural barrier or policy and procedure barrier presently existing at the subject public accommodation which denies full and equal access for persons with physical disabilities to said building(s), elements and facilities of HOLIDAY INN EXPRESS HOTEL & SUITES. Plaintiff has been denied full and equal access on an ongoing basis since the date of his first visit. As a legal result, plaintiff is entitled to seek appropriate relief, such as damages, pursuant to Ohio Revised Code § 4112.99.

50. On or about February 14, 2021 through February 15, 2021, plaintiff suffered violations of Ohio Revised Code §4112.02(G) in that he was denied access to the facilities as stated herein at HOLIDAY INN EXPRESS HOTEL & SUITES and on the basis that he was a person with physical disabilities.

51. As a result of the denial of equal access to Defendant's facility due to the acts and omissions of Defendant in owning, operating and maintaining the subject public facility, plaintiff suffered violations of his civil rights, as well as suffering from shame, humiliation, embarrassment, frustration, anger, chagrin, disappointment and worry, all of which are expectedly and naturally associated with a denial of access to a person with physical disabilities, all to plaintiff's damages as hereinafter stated.

52. Plaintiff has been damaged by Defendant's wrongful conduct and seeks the relief that is afforded by Ohio Revised Code § 4112 for violation of his rights, including statutory damages according to proof.

53. As a result of Defendant's acts and omissions in this regard, plaintiff has been required to incur legal expenses and hire attorneys in order to enforce his rights and enforce the provisions of the law protecting access for persons with physical disabilities and prohibiting discrimination against persons with physical disabilities. Pursuant to the provisions of Ohio Revised Code § 4112, plaintiff therefore will seek recovery in this lawsuit for all reasonable attorneys' fees and costs incurred if deemed the prevailing party.

Wherefore, plaintiff prays for relief and damages as hereinafter stated.

**O.R.C. 4112.16 NOTICE OF VIOLATION OF ACCESSIBILITY LAW**

54. Pursuant to O.R.C. 4112.16 Notice of Violation of Accessibility Law, prior to filing a civil action alleging violation of State of Ohio accessibility law, the alleged aggrieved party *may* notify the owner, agent, or other responsible party, by personal service or by certified mail, of alleged accessibility law violations.

55. On May 6, 2021, MORTLAND served upon Defendant's statutory agent a Notice of Violation of Accessibility Law pursuant to O.R.C. 4112.16.

56. Defendant's statutory response deadline in which to serve MORTLAND with its response was May 27, 2021.

57. Defendant failed to serve a compliant response upon MORTLAND or his counsel within 15 days of receiving the O.R.C. 4112.16 Notice.

58. As a result of failing to respond to MORTLAND's Notice, MORTLAND may commence his lawsuit for violations of State of Ohio accessibility laws.

59. Due to Defendant's failure to respond in accordance with the statute, MORTLAND, if deemed the prevailing party, shall recover reasonable attorney's fees, in addition to any other remedies available to the plaintiff.

**PRAYER:**

Wherefore, Plaintiff DEREK MORTLAND prays that this court grant relief and damages as follows:

**I. PRAYER FOR FIRST CAUSE OF ACTION FOR DENIAL OF ACCESS BY A PUBLIC ACCOMMODATION IN VIOLATION OF THE AMERICANS WITH DISABILITIES ACT OF 1990 (42 U.S.C. §1 2101, et seq.)**

2. For attorneys' fees, litigation expenses and costs of suit, if plaintiff is deemed the prevailing party; and

3. For such other and further relief as the court may deem proper.

**II. PRAYER FOR SECOND CAUSE OF ACTION FOR DENIAL OF FULL AND EQUAL ACCESS IN VIOLATION OF OHIO REVISED CODE § 4112.02, et seq.**

the prevailing party;
